DEFECTION LEAFLET

PURGE of SPAHIU and JAKOVA

Albanian brothers and sisters.....As NCFA predicted last April when Malenkov fell, the purge has struck Tirana! In the midst of propaganda praises for achievements in education and all branches of Government, both Spahiu and Jakova are fired for "incompetence!" Who will be next?

Albanians -- you are forcing the regime to the wall! Continue to demand what is due you! The despots are weakening and fearful of the next orders from Moscow.

Enlightened and repentent Albanian Communists there is no security in a regime of traitors that uses scapegoats to explain its failures, but there is haven for you in the Free World.
